

2020-2021 ACS Board Goals

Goal	Milestones / Metrics / Outcomes
1. Finalize new campus & begin construction	<p>A. Finalize new campus financing with DOF and FAB and meet all bank requirements</p> <p>B. Break ground on new campus</p> <p>C. Increase awareness of new campus and accelerate the development of nearby infrastructure, utilities, and amenities</p>
2. Strengthen community support for ACS	<p>A. Embark and oversee fund raising and capital campaign to ensure optimal project financing and excellence for school needs and nice-to-haves, including FF&EE, sponsors for buildings, labs, music/art facilities, athletic programs, and possibly seeding an endowment (Timeline 3+ years)</p> <p>B. Form partnerships with key AD corporates and institutions (directly and through parents, embassy, and local institutions) - e.g. Masdar Solar, Raytheon Robotics Lab, NYU, Louvre, Berklee School of Music, etc, to support ACS through strategic projects for the school and students</p> <p>C. Develop deeper relationship with AD government stakeholders, US Embassy / Ambassador, and ADEK</p>
3. Review progress against the 5 year strategic plan	<p>A. Engage in dialogue with our Administration about progress relative to the pillars contained within the 5 year strategic plan. Determine priorities for 2020-21 in light of Covid-19's impact.</p>
4. Effectively and transparently communicate to our community	<p>A. Ensure quarterly substantive relevant communication from the Board to the Community, to be supplemented by Community Forums that allow for dialogue and Q&A with Board and Committee members</p>
