2022-23 ACS Board Goals

1. Delivering the new campus on-time and on-budget	A. Accelerate the development of nearby infrastructure, utilities, and amenities, including Teacher Housing and adjacent sports park B. Oversee the development of a transition plan that emphasizes and retains our sense of community C. Provide timely and transparent communication on the status of the new campus
2. Developing a vision for the next 50 years (ACS 2.0) *This will be a 2-year goal (2022-24) and will be the pre-work to the next 5-year strategic plan.*	A. Review and evaluate current programmatic offerings with a lens on improving student success and fulfilling the potential of our new facility B. Conduct comparative analysis of other top K-12 international schools to identify additional opportunities for excellence and innovation C. Investigate potential alternative sources of revenue to supplement tuition and/or improve financial sustainability D. Review our employer brand and employee experience to ensure we attract, retain, and develop the best faculty in the world E. Accelerate the development, implementation, and resourcing of a 5-year technology roadmap, with the ultimate objectives of 1) innovation in programs, teaching, and learning, and 2) excellence in the day-to-day operations of the school F. Find ways to give back to Abu Dhabi as a responsible member of a broader educational ecosystem, pushing the boundaries of excellence across the UAE G. Investigate options to solidify our legal status as a non-profit entity
3. Deepening strategic partnerships and raising funds to enable excellence	A. Generate excitement and energy as we celebrate our 50th anniversary and pivot into the next 50 years B. Conduct a coordinated outreach strategy to deliver against our fundraising targets C. Form 3-5 strategic partnerships that unlock unique value for our teachers and students
