

2023-24 ACS Board Goals

1. Successfully Deliver the New Campus

- A. Support the establishment of policies and procedures for new campus activation and operations
- B. Develop and monitor project plans, budgets, risk assessments and communication strategies
- C. Review and approve the ramp-up plan for academic year 2024-2025
- D. Continue advancement efforts and external partnerships to enhance program excellence

2. Nurture and Preserve ACS Community and Culture

- A. Promote and support community-enhancing events and engagement on the new campus
- B. Identify opportunities for inclusivity to foster a welcoming environment for all community members
- C. Allocate additional resources to support social, emotional and mental health initiatives

3. Prepare for the Upcoming 5-Year Strategic Planning Cycle (2025-2030)

- A. Conduct comprehensive review of the current state of the ACS program
- B. Invite external experts to present insights on the future of education and work
- C. Secure ACS's status as an independent nonprofit institution through renewal of the ADEK MOU

4. Ensure Board Effectiveness and Sustainability

- A. Identify and engage potential future trustees to enhance Board effectiveness and sustainability
- B. Provide ongoing training and development in governance best practices
