About ACS

Propelled by **more than 50 years** of institutional knowledge and an unwavering commitment to excellence in education, American Community School of Abu Dhabi (ACS) empowers students to define and shape their futures. ACS is **the only nonprofit American school in Abu Dhabi.** As a U.S. accredited, college-preparatory school, ACS continues to provide 1,550 students ages 4-18 from more than 60 countries with a balanced learning program to foster excellence in academics, the arts, athletics and service-learning. ACS is recognized as a leader among its international educational peers around the world.
