MIDDLE SCHOOL SUPPLY LIST 2026 - 2027

Here is a list of supplies that Middle School teachers say that all students must have prior to the start of the first day of school. Most items can be found in the UAE; however, there is often more choice, better quality, and/or better prices in other parts of the world or specifically found online.

Students need to have these supplies on the first day of school.

Any additional supplies determined necessary later by teachers will be communicated and will be able to be found in Abu Dhabi.
